History: This message has been forwarded.

Ms. deBeau,

Thanks for sending this over. I talked to the committee's office in Utah, and apparently they never received the letter. We're still looking into it, but can you confirm that the address given in the letter, 10 W Broadway, Suite 202, is the same address it was actually sent to? We recently moved offices, and the one in the letter is the correct one for us now, but I'm wondering if maybe it got sent to the old one by mistake.

We would of course like to make a response, but this is the first we've seen of the letter, and our counsel is out of town for the next week for prior travel plans, so we'd like to get an extension to August 24th.

Let me know if that's something you can accommodate.

Thanks.

Joe.
